

# LÄÄNE-HARJU MUNICIPALITY

# ADMINISTRATIVE REFORM

Governments decision to  
forcefully merge 4 municipalities

Strong personalities

Different vision and dowry of  
previous municipalities

Regional flaming passion, not  
political

# Municipality in numbers

Area 644 km<sup>2</sup>  
Inhabitans 12 611  
52 settlements  
9 schools  
10 kindergartens  
1087 enterprises

# MUNICIPALITY BORN OVERNIGHT

- The start was overnight
- A lot of controversies
- Paldiski *versus* rural areas
- estonian *versus* russian community
- vacationers *versus* indigenous villages
- more *versus* less developed regions

# FINDING THE BALANCE

- Regional contradictions
- Financial management
- contradictions in specific fields
- living *versus* business environment
- Entrepreneur *versus* citizens

# MUNICIPALITY GOVERNMENT

Town hall in Paldiski

Service points in Keila, Padise and  
Vasalemma

80 officials

Employees getting paid from  
municipality budget 600

Budget 18,8 millions

- ✓ 64,4% tax revenue
- ✓ Subsidies 30,6%
- ✓ Selling goods and services 4,4%
- ✓ Over 60 % of budget expenditure goes to education

# WE STRIVE TO BE THE BEST BACKGROUND FORCE

Openness and transparency  
Open and inclusive management  
Balance between different world views  
Balance between entrepreneurs and  
citizens  
Cooperation of state and entrepreneurs  
Focusing on possibilities, not restrictions  
Positive image of Paldiski and the whole  
region

# OUR GOALS

Attractive living environment

Green Municipality

Informed and thought-out  
planning

Transport and mobility

Cooperation with different  
communities

# BIGGEST INVESTMENTS 2019-2020
